July 2026

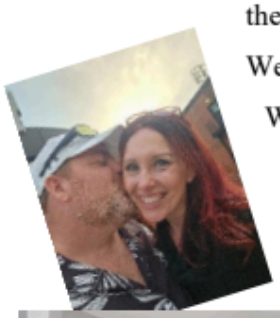

Happy July!

Cheers to Canada Day Month & the biggest Birthday Month in our Fam!

I started off the month of June by heading out on my 7th Mission Trip! I traveled to Honduras with the Gateway Church Mission Team to help Schools of Hope and a rural village called Lomas del Diamante. I also got to meet the child I was able to begin a Sponsorship with! It was a very beautiful and humbling experience, as we connected and shared a wonderful experience with the amazing people there but also helped bring much-needed water filters to them so they have access to clean water for drinking and cooking.

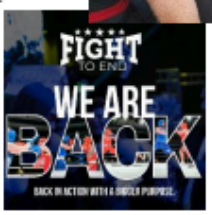

We also had time to bond as a team, and spent time with the children and the elderly.

When I returned, Brett and I celebrated our 7th Wedding anniversary! It seems like just yesterday, I was packing up my life in Guelph, and heading down the 401 to marry my best friend 😊 We took time to golf, and then went for dinner at the Hard Rock Hotel where we got some special pins. What can I say? He gets me!

Then we had the Summerside Canada Day Celebration, where I am a Sponsor. Starting last year, I bring a team (my loving and supportive fam LOL – which last year included my Mom when she came to visit!) – we dress up, and have a blast! Thanks to all the neighbours who came to say hi and signed up for my neighborhood contest!

We also sent out all of our acceptance letters to participants for The Fight to End Homelessness Event!! Keep an eye out for all of the fun updates – we're so excited about the FTE Class of 2026!

As the FTE Fight Mama, I am pumped to help this group ROCK their training and fundraising for another EPIC event on November 19th! Sponsorships are available now (and it's usually the main way to get into the event!)

Canada Day being on a Wednesday this year was a little strange – but it was also pretty cool to chill out mid week knowing that we could finish up any work on Thursday and Friday! The weather was a little crazy, but overall: two enthusiastic thumbs up 😊

Please give a wave if you drive by my Summerside Bench on Commissoners Road E 😊
