AUGUST 2020: The Official Month of Golfing for The Royal LePage Shelter Foundation

What a Summer it has been so far! And while 2020 has felt like one of the longest years in History, it is also a little crazy how quickly it seems to be going by already. How is it almost September??

As you may know, undoubtedly from my Shameless plugs on social media, email, messenger owl and sky writing, I will be participating in **Royal LePage Triland's Shelter Cup on August 19th 2020**, with all proceeds going to the **Royal LePage Shelter Foundation** (in London, the proceeds go to Anova and in Guelph, they go to Guelph Wellington Women in Crisis).

I have been a supporter of the **Royal LePage Shelter Foundation** for several years and it is an absolute honour to be able to be part of such an exciting event. Our goal is to raise a minimum of **\$20,000** (we have only 20 golfers for social distancing reasons and each of us has committed to raise a minimum of **\$1,000**).

For every \$100 we raise, a stroke is taken off of our total – and while Brett and I have been spending as much time as we can at the Driving Range and on the beautiful golf courses in Southern Ontario with amazing people (when we aren't working, having fun with the kids or sleeping lol)...**I still need help!!**

We have chosen to do as much locally as we can this year in lieu of our usual travels. In Covid times, everything seems a little turned around and we are all trying to cope as best we can.

Who would have guessed in January that almost the entire World would be masked up by now??

I wish you the most wonderful rest of your Summer and look forward to seeing you again soon.

Your friend in the business,
