HOLIDAY CHEER INTO AN AMAZING NEW YEAR

Happy 2020!!!

It's hard to believe that the year sounds so...Science Fiction. But what an amazing year 2019 was for so many of us.

We had an amazing Holiday Season, starting with our first Toronto Raptors Game (Big thanks to Belfor Restoration and Preferred Insurance for hosting the Turkey Bowl for ChildCan and allowing us to bid on these tickets!) and we got to experience the Toronto Christmas Market before a week of family fun with our families.

Brett and I took the kids to my old stomping grounds in Ottawa to celebrate with family and friends and to explore our National Capital with skating, museums and fun walks in traditional Ottawa (read: really really cold) weather LOL. What fun we had!

And then we celebrated the New Year here in London before heading out for our slightly overdue Honeymoon in Mexico at the Platinum Yucatan Princess Resort. What an amazing week with my love ☺

One of my coaches asked me what my word/phrase will be for 2020...and I chose: **#LetsDOthis** because 2020 is going to be an EPIC year. I have some very big goals, both work, family and personal and I am committed to achieving them!

Here is to you setting and ROCKING new goals for 2020 and to spending more time together with friends and family. Time is fleeting and once it's gone, it's gone forever. Let's make the most of our moments.

Your friend in the business,

Krystal Moore
