5-4-3-2-1...GO! LEARNING & LAUGHING

Happy Spring (at last) 😊

What an amazing Easter season we experienced – as it slowly has gotten warmer over the past month, we have had some lovely times.

I listed and **SOLD** the first home I bought here in Guelph – and it was so much harder than I remember it being. Likely because I had to do all my work on my own home after hours LOL. But the hard work paid off and a new family will be coming in to take care of my first home in the Summer.

Brett and I were fortunate enough to be included as models in an event for Breast Cancer Awareness called **Fifty Shades of Pink** in London – and it was an amazing event – to see so much Community support and involvement was truly **AWESOME!**

I started volunteering with the **Ronald McDonald House** with some beautifully awesome women and Brett and I attended the **Red Shoe Society's Scarlet Ball** as well. Giving back and dressing up seem to be the theme over the past month for sure!

I also had the opportunity, for the first time, to attend **The Peak Experience** in Carlsbad, California with **Buffini and Company**. Three entire days of learning, growing and synergizing with the best of the best in Real Estate and in life, including Mel Robbins (5-4-3-2-1..Go), Andy Andrews (The Traveler's Gift) and Brian Buffini himself. What an experience! I have returned refreshed, excited and ready to **ROCK** the

rest of the year 😊

And last but certainly not least, Brett and I will be getting married at the end of June! We visited Windsor to scout out the perfect location as it's going to be an incredibly intimate Wedding (just the two of us, our Officiant and our Photographer). We are excited, for sure, but even **MORE** excited about becoming Mr. & Mrs. Lucier...officially 😊

I wish you all an amazing month full of love, laughter and **JOY** – life should be full of these amazing elements.
