Spring 2019

SUNSHINE & AND ALL THE FUN

Happy Spring ☺

As the weather is slowwwwwly warming and catching up to the fun of the Real Estate Spring, signs of Spring and new beginnings are all around us :) ☺

We participated in the 5th Annual Port Stanley Polar Bear Dip with our Ice Ice Babies team again this year and as a whole the event raised over \$80,000 for Childcan!!! What a way to overflow our hearts with the love and support of the amazing people in our communities and in our lives ☺

Then we got to dance the night away at the Royal Lepage Awards evening in Toronto ☺

Thank you so much to all of my clients, colleagues and friends for your help and support! I earned the Director's Platinum Award for the 2nd year in a Row and the Award of Excellence and am so very grateful for each and every one of you.

And then for March Break (my first since I was a child who HAD March Break lol), Brett and I took the kids to sunny Florida to visit his parents (who take a few months to escape the Winter each year) and to visit Universal Studios!

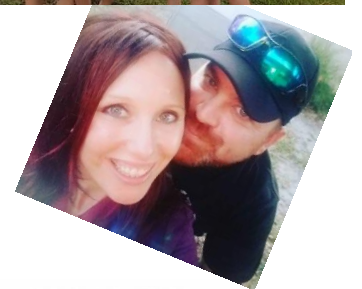

All I can say is WOW!

My Dad took us to Universal when I was younger and my sister and I got to ride on the huge bee from Honey I Shrunk the Kids - it has seriously expanded in its awesomeness since then! Harry Potter has an entire section (Diagon Alley) and we were able to take the Hogwarts Express between Universal Studios and Islands of Adventure with our handy Fastpass from Pure Magic Disney Specialist Denise Bysma in Guelph – what an amazing help she was for us newbies LOL

What we learned again this March is the pure awesomeness of spending time with the ones we love...whether puzzling (yes it's a thing and we did it as a group LOL), walking, relaxing and discovering new places. Oh the fun that awaits!
