Summer 2019

OH WHAT A SUMMER!!!

What a PHENOMENAL Summer it has been!!

On June 24th, 2019, I married the love of my life and it was the most magical day for us full of love, laughter and fun 😊 The Windsor Star agreed and included us in its article about the Ford Fireworks Festival too!

We wanted a day that symbolized our love for each other and it was exactly that. We even had a “mini-moon” and stayed in Windsor/Detroit for a couple more days. Might I recommend Top Golf in Detroit and the Buffet at Caesars Windsor? So much fun!

And THEN...Brett and I moved into our new home together at the end of July and have been hard at work setting it up – along with working hard at #Realtorlife for me and Provincial Glass and Mirror for him. Zero people like moving – real estate pros included – but we all love our new homes once they feel like home!

At the beginning of August, I was fortunate enough to go to San Diego for my 6th Mastermind Conference! I am so grateful for the opportunity to learn and grow and be inspired by Brian Buffini, his amazing team and the phenomenal colleagues I am Blessed to connect with 😊

We're finding time to enjoy these Summer days with the kids and have been checking out fun at Port Stanley, London's East Park and might even brave camping...maybe lol. (Canada's Wonderland is on the horizon before the end of the Season I think lol) and just be grateful for all of the experiences we share and the people who surround us with love, laughter and support.

This Fall, we are part of The Fight to End Homelessness. I will include more details soon but it's a boxing charity event and Brett and I are both registered as boxers! What a workout!!

I am loving my new routine at the house, learning my new London neighbourhood (right off the 401) and commuting back and forth to

Guelph.

Enjoy the warmth, sun and starry nights 😊
