### AUTUMN COLOURS AND COOLER NIGHTS

Happiest of Octobers to you!

What a whirlwind it has been!

Brett and I were able to sneak away for Thanksgiving weekend to the beautifully luscious Collingwood for a weekend of relaxation, exploring, hiking and exploring. And oh how we needed it!

We were even Blessed with some ACTUAL live music at our favourite Irish Pub at Blue Mountain, MJ Byrnes. Listening and dancing to live Music is probably our favourite thing to do EVER. So amazing.

Sania at Luxe Salon helped me get my hair back to the way I adore it and I have started to learn how to play the Ukelele! For real! I am so excited. It's my own version of meditation and it is definitely helping me feel grounded 😊

I was able to experience the new Beertown Guelph's heated outdoor patio for dinner with my awesome friends and colleagues AND we were lucky enough to carve pumpkins with Cole and Claire...mine was real estate themed LOL!

As the weather is getting cooler, and the real estate market is remaining super hot, I wish you a very safe and lovely month. We are not quite out of the woods yet with this Covid-19 but I am so proud of us as a Community, and as a Country for the way we are dealing with everything.

I wish you a safe and happy October/November full of changing leaves, pumpkin carving and warm socks 😊

Your friend in the business,
