

January 2026

Happy New Year!

It's another new year and the snow is definitely here! Over the break, we got to share time with our families from Ottawa to Toronto and London and it was so wonderful.

It was even MORE wonderful to say a temporary good-bye to the hustle and bustle and take a week off to recharge in sunny Mexico which is becoming something of a tradition for Brett and I. What a beautiful thing for all of us to have what

felt like two weeks off!

I made a choice right before the holidays and my red hair will be making a comeback! I missed it too much and life is for living! Thankful always for Sania, who patiently rides along on my hair adventures and makes my locks look healthy and awesome 😊

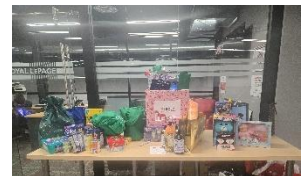

Super fun news – we earned the Royal LePage RUBY award for 2025! I won this award during Covid on my own, but it feels pretty good to get it again in a somewhat slower year.

My [#RealtorLife Podcast](#) is still my passion project and we just started Season 5! I have some awesome guests scheduled already!

I was so happy to be able to donate bags and bags of food, donations to the London Abused Women's Center and Toys for Tots! Thankful to the generous clients and networking peeps who helped us make a contribution to our community!

January is a great time to get health and fitness goals in line – I just started a 12 week health challenge and can't wait to ride the endorphins that momentum in this area brings!

2026 is going to be an AMAZING year full of growth, learning, success and change. I cannot WAIT to keep sharing!
