

June 2026

Happy June!

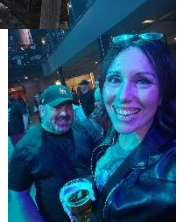

Dare we say it? The warm weather is here at last!

We opened up our pool on the long weekend (even though it started out with freezing and rain LOL) and we've been out golfing a lot this month. The sunshine seems eager to join us all.

We were so excited to get to see Dwayne Gretzky in London at the beginning of the month! We were front row, and we danced and sang our little hearts out!

I will be headed to Honduras for a Mission Trip with Gateway Church for a week this month. The team is all we're excited to make a difference.

still

I headed down to Toronto for RealtorQuest – an amazing conference put on by the Toronto Regional Real Estate Board (TRREB). I got to see Michelle Obama (right?!) – and while I was in a spillover room, I WAS front row. We got to celebrate a great year with fantastic live music, and it was a fun reunion for so many colleagues. I also won a front row seat to see Malcolm Gladwell (BIG fan!) and Pinball Clemons! To say I was floating through the conference is an understatement.

I was able to sneak in a few family visits as well 😊 And Brett and I have been trying to balance work and time together – I think we crushed it!

LeadTribes is still going STRONG as we keep attracting awesome members – we're going to be going on group road trips for some meetings – to places like Shale Ridge Winery and Nordic Spa!

I was elected to the Board of Directors for the London Executives Association for next year's term and I am so excited.

Last but not least, we're BACK with the Fight to End Homelessness event in London – follow us on Instagram at @Fighttoend.Ldn and share to anyone who might be interested in participating in this premiere Vegas-style boxing event.

Please give a wave if you drive by my Summerside Bench on Commissioners Road E 😊
