Happy May!

Welcome warmer weather! Hopefully LOL 😊 I had a fantastic April from start to end – what a whirlwind! The month started out with a visit to Ottawa to visit with my Mama, my grandparents and my best friend. From there I went Downtown Ottawa to the CREA AGM & Leadership Summit. We got to hear an amazing keynote from Mike Downie, and I can honestly say that I hear The Tragically Hip songs differently now.

At the CREA AGM, I also ran as a Director Candidate for the Ontario seat on the CREA Board. I worked really hard campaigning, and Chris McAuley helped me refine my speech (which I got great feedback on). I didn't get the position, but I did get 30% of the vote which made me feel great as a first timer.

I am running for a position on our local LSTAR Board now, and I am excited to serve!

The LEA Podcast is going really well! Check us out: Remember a Member and my #RealtorLife Podcast is still rocking! I love it so much! Great guests, and we are always looking for more!

We went on a Wellness Retreat with Medpoint Health in Jamaica – much needed after a busy Spring (which is still going lol) and I jumped off of a cliff into the ocean at Rick's Café in Negril. I landed, um, less than perfectly, and walked away with some bruises and a checkmark on my bucket list I wasn't even looking for LOL.

Before we left for Jamaica, we went to see my beautiful sister perform as Lonny in Rock of Ages – she is truly a STAR! We're so proud of her!

We have had some great experiences with LeadTribes – both with my London RISE group and the whole group – from Lacrosse games to a musical!

Our Improv Show was a SUCCESS and I am now a graduate of the Shut the Front Door Masterclass program. It was so much fun! Big recommend if you want more fun, faster thinking and a safe place to

just be yourself!

Golf season has officially started (we had our first round of the season in Jamaica at the Tryall Club) and we're excited to fit in golf dates with the busy real estate market!

Excited about all the adventure yet to come! And please give a honk if you drive by my Summerside Bench on Commissioners Road E 😊
